AMENDMENT IN RESPONSE TO ADVISORY ACTION

Dear Sir:

In response to the **Advisory Action Before the Filing of an Appeal Brief** dated August 1, 2007, the applicant has discussed **Claims 8 and 9** with the examiner. Following the suggestion of the examiner, the applicant has amended the application as follows:

Claim 8 is amended to recite the wayside control system and the central control system. In addition, the limitation of **Claim 9** is incorporated into **Claim 8**, and **Claim 9** is canceled as a result. This amendment would place **Claim 8** in condition for allowance.

Very respectfully,

Hengning Wu, Applicant
